

Teresa von Fuchs
VP, Sales
Bellwether Coffee

Teresa von Fuchs started as a barista more than half her life ago. It was her first job that really connected the dots: what you did at work everyday, the buttons you pushed, how you pushed them, who benefitted, who could be harmed... it all mattered. This early coffee insight has most inspired her career. With over a decade of experience in sales, marketing, and education in the Specialty Coffee industry, Teresa continues to work for a more accessible and transparent ecosystem from Barista to Farmer.
